The Eight Perjured Scoundrels. The members of the "electoral commission" took the following oath, when entering upon the discharge of their duties: I, —, do solemnly swear that I will impar-tially examine and consider all questions submit-ted to the commission of which I am a member, and a true judgment give thereon, agreeably to the constitution and laws, so help me God.

And then the board adopted rules for the transaction of business, among which was the following:

RULE 5. Applications for process to compel the attendance of witnesses or the production of written or documentary testimony may be made by counsel on either side, and all processes shall be served and executed by the marshal of the commission or his deputies. Depositions hereafter taken for use before the commission shall be sufficiently authenticated if taken before any commissioner of the circuit courts of the United States, or any clerk or deputy clerk of any court of the United States.
